

## INFORMATION NOTICE

The protection of your personal data is of high importance to THALES, therefore THALES takes all reasonable care to ensure that your personal data is processed safely.

When a User is defined, we process a Username and a Password including a Mail address. Furthermore, if considered as personal data we process GPS Sensors. They can be mounted against Containers, Wagons and Trucks. Only our customer knows to what the GPS Sensor has been mounted, we process the actual and history locations. also, container numbers are treated in 1Logistics Backend including the classification of the content and e.g. if dangerous goods or not. In future we will also record and store if e.g. containers are damaged or not. Additionally, we will do a made to measure Business Intelligence application about Performances of assets and terminals, this in coordination with the end customer. We also track the estimated time of arrival of vehicles via Interface to external systems such as Railway Traffic Management Systems. you will share your personal data with THALES Thales Digital Factory and BL MLS ("THALES"), acting as data controller.

This data is used for feeding the database of 1Logistics and processed to be shared with customers if changes happen.

Please note that the processing activities specified therein are carried out by THALES Protostellar GmbH a majority owned Thales entity (74,9%) and 25,1% owned by MT Logistics GmbH.

For the abovementioned purposes, your personal data will be kept maximum 3 months but User Data (e.g. Usernames and password) for the duration of usage of the system.

In the context of such processing, THALES relies on only employees of Thales Digital Factory, BL MLS and Protostellar GmbH. The data is accessed only for the development of new features or Business Analytics and for bug fixing.

In any case, you have the right to access your personal data and to request that your personal data be rectified or deleted. You are also entitled to request restriction of the processing of your personal data.

In case of any such request or complaint, please send an email to [Yves.sterbak@protostellar.eu](mailto:Yves.sterbak@protostellar.eu) and [support-1logistics@thalesdigital.io](mailto:support-1logistics@thalesdigital.io) . You can also contact our Data Protection Officer by sending an email to the following address: [dataprotection@thalesgroup.com](mailto:dataprotection@thalesgroup.com).

In any case, you also have the right to lodge a complaint with the competent data protection authority."
